REPORTS						
Director's Report	Ms. Wiltshire and Ms. Phillips	Ms. Wiltshire and Ms. Phillips presented a Pre-K update to the Board.				
1. Pre-K Update						
		Ms. Mayes asked, what is the plan for Casa Azafran students until their center				
		opens in September? Ms. Wiltshire said that plan is being developed. Ms.				
		for the presentation and thanked Dr. Registe	r			
		work. Ms. Speering asked, will there be a				
		study done to monitor the progress of MNPS students who attended Pre-K vs.				
	the students who do not? What percentage of classrooms will have a teacher					
	apprentice? Ms. Wiltshire said 6 of the 27 classrooms due to the budget. The					
		ratio would be two teachers to every 27 students per classroom. Vanderbilt				
		will be conducting many studies and the hope is that one of the studies will				
		research the success of students who added Pre-K. Ms. Speering asked if the narrative assessment will be conducted at sites other than the model sites? Ms.				
		Wiltshire said, no due to the cost of the assessment. Ms. Shepherd asked how				
		many Pre-K seats are truly needed in the district? Ms. Phillips said, currently				
		there are some vacancies and others have waiting lists. Mr. Pinkston stated				
		that it is important to have a number of actual seats needed to create universal				
Pre-K for MNPS.
